

SIRS Field Safety Rules

- 1. AMA and SIRS Field Safety Rules must be followed.**
- 2. The SIRS Field Safety Rules are posted on Facebook and at the field.**
- 3. Membership in the Academy of Model Aeronautics (AMA) or enrollment in the AMA's Introductory Pilot Program is required to fly at the SIRS field. Club membership is required upon completion of the training program.**
- 4. Alcoholic beverages are allowed after your flying sessions are complete for the day.**
- 5. No pilot will fly while under the influence of alcohol or drugs.**
- 6. Illegal activities are forbidden.**
- 7. Pilots must fly north of the flight line which is an east-west line from the electric pole on the road at the east end of the field.**
- 8. Spectators must remain a safe distance south of the flight line.**
- 9. Call out to fellow pilots when taking off, landing or walking onto the field.**
- 10. LiPo Battery Charging must be performed in a LiPo bag or approved container. Do not charge damaged batteries. Batteries must be monitored while charging.**
- 11. Flying is not allowed during field mowing.**
- 12. Vehicles and parking are restricted to non-flying areas.**
